

Salient Characteristics

Salient characteristics

1. Characteristics of Camera System

- 12MP Cameras
 - Vandal Resistant
 - 360° AI Tracking
 - Infrared Imaging
- 8MP Cameras
 - 4K Video Quality
 - Infrared Imaging
 - Vandal Resistant
 - AI Tracking
- Enhanced NVR
 - 90-Day Video Retention
 - Redundant RAID Storage
 - Redundant Power Supplies
 - Licensed for Failover
 - Object Based Analytics
 - Person, Face, Vehicle, License Plate - Attribute Logging
 - Intrusion Detection
 - Object Guarding
 - Loitering Detection
 - Line Crossing Detection
- CCTV Workstation (Dedicated Viewing Workstation)
 - PVM Decoder Dedicated Decoder

2. Capabilities of Camera System

- 90-Day Video Retention
- Redundant RAID Storage
- Redundant Power Supplies
- Licensed for Failover
- Object Based Analytics
- Person, Face, Vehicle, License Plate - Attribute Logging
- Intrusion Detection
- Object Guarding
- Loitering Detection
- Line Crossing Detection

3. Limited capabilities of Camera System

- Back up battery power supply has an 8-hour run time.
- NVR Storage has a 90-Day Video Retention
- 8MP cameras have a locked direction Cameras
