

1. **Controlled SOW:** Please provide authorized access to the complete SOW and associated attachments.

Access to the complete Statement of Work (SOW) and its attachments is now unrestricted

2. **NAICS and workshare:** Please confirm the applicable NAICS code and the requirements for work performed by the prime versus subcontractors.

The relevant NAICS code can be found in the provided solicitation documents, which also outline the workshare requirements for prime and subcontractors.

3. **Labor requirements:** Which wage determination and labor standards apply?

YES

4. **Proposal submission:** Please confirm the closing date, exact time and time zone, and designated submission email address.

For information on the proposal closing date, time (PST), and submission email, please refer to sections 9 and 10 of the solicitation.

5. **Past Performance Questionnaires:** Please confirm who should return the completed PPQs, where they should be sent, and their deadline.

Completed Past Performance Questionnaires must be submitted when the proposal is due.

6. **Site visit and clearance:** Is a site visit mandatory, and must our representatives attend by a specific date? If so, please provide the registration deadline and any identification, forms or other documents required for base access.

A site visit is not required, and none has been scheduled
