Performance Work Statement

Naval Station (NS) Everett Bldg. 2026 Request for Moving Services: Internal Furniture Relocation & Return

1.0 Objective: The Unaccompanied Housing program within NS Everett requires a professional moving company to move all 3rd deck resident room furnishings from storage locations on the 2nd and 1st decks of the same building and move the staged furnishings back into their original resident rooms.

2.0 Scope of Work: The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and other items and non-personal services necessary to perform the movement of things as defined in this Performance Work Statement.

3.0 Furniture Move: Carefully pack, protect, and relocate all resident furnishings from designated holding areas on the 1st or 2nd floors to 3rd-floor rooms.

3.1 To safely navigate hallways, entryways, elevators and avoid property damage, movers may need to **disassemble large or complex items** (e.g., bed frames, large wardrobes, desks) prior to transport.

3.2 All removed hardware (screws, pins, brackets, etc.) must be securely bagged, labeled, and taped to the corresponding piece of furniture.

3.3 To prevent scratches, scuffs, or stains, the moving company must lay down professional-grade floor coverings (such as Masonite sheets, Neoprene runners, or heavy-duty cardboard) along all high-traffic transit paths, hallways, and elevators.

3.3.1 This may include additional padding for doorframes and elevator entrances during the move.

3.4 The following items are required to be moved:
