

Questions and Answers for RFQ# 1232SA26Q1055

Q: Any chance you'll be able to provide the following by tomorrow, as the proposal submission deadline is currently Monday (09/14/2026)?

A: The deadline for submitting questions is 09/10/2026. As such, all such requests and questions may not be provided until 09/11/2026 at the earliest.

Q: Would you be able to send over photos, drawings and bore/stroke/rod of the cylinder?

A: See the photo below. The long cylinder is ~ 105 inches and the shorter cylinder is ~ 71 inches. We do not have any drawings and are unable to measure the stroke distance.

Q: Do you think you'll be able to extend the proposal's submission deadline from Monday (09/14/2026) to later in the week?

A: The quote submission deadline has been extended to 09/16/2026.

~ 105 inches

~ 71 inches
