Instructions, Conditions, & Notices to Offerors or Quoters

Miscellaneous text in this section has been modified from:

L.1 SEQUENCE OF EVENTS DURING PROPOSAL EVALUATION

L.1.1. The government shall employ Best Value source selection process to evaluate proposals, conduct negotiations, and determine the successful offerors in this acquisition. "Offers", for the purposes of this solicitation, shall be defined as a response to the solicitation that, if accepted, would bind the offerors to perform the resultant contract. The Offerors can expect the following conditions and responses during proposal evaluation and negotiation:

L.1.1.1. Upon receipt, the proposals will be reviewed for completeness and compliance with solicitation requirements. The proposals will receive a detailed evaluation employing the process and criteria identified in Section M of this solicitation.

L.1.1.2. In accordance with FAR 15.306, the government may conduct exchanges with offerors after receipt of proposals and prior to award. The government reserves the right to award based on the initial proposal submission without oral presentation, exchanges and/ or discussions. Therefore, the offeror's initial proposal shall contain the offerors best terms.

L.1.1.3. The government may conduct exchanges with offerors to enhance the government's understanding of proposals; allow reasonable interpretation of the proposal; or facilitate the government's evaluation process. Such communications shall not be used to cure proposal deficiencies or material omissions, materially alter the technical or cost elements of the proposal, and/or otherwise revise the proposal.

L.2. PROPOSAL SUBMISSION

L.2.1. GENERAL INSTRUCTIONS

L.2.1.1 Proposals should be submitted electronically in Adobe PDF and/or Microsoft Office (Word /Excel) via email to both points of contact (POC) below:

Contracting Officer: Michael Quinlan, michael.j.quinlan3.civ@army.mil

L.2.1.2. Each Offeror shall submit a single, complete proposal that contains the Offeror's best terms. The Offeror's proposal shall remain valid for a period of 60 days from the closing date of the solicitation.

L.2.1.3. Files shall not contain classified information.

L.2.1.4. Offerors are advised to submit any questions for clarification or explanation via the SAM.gov website. The cutoff date for submitting questions is three (3) business days prior to proposal deadline. The government will answer all questions through the issuance of a solicitation amendment prior to the deadline for final proposal submissions. Questions received after the deadline may not be answered prior to proposal submission. The government does not anticipate extending the closing date for receipt of offers.

L.2.1.5. Offeror(s) are cautioned that in order for their proposal to be eligible for award, the proposal shall be in compliance with all of the terms and conditions set forth in the RFP. Failure to submit a timely proposal exactly in accordance with the solicitation instructions may result in a government determination the offeror's proposal is nonresponsive or noncompliant, and therefore ineligible for award, at the sole discretion of the government.

L.2.2. PROPOSAL SUBMISSION REQUIREMENTS

a. The proposal shall be submitted electronically to michael.j.quinlan3.civ@army.mil.

b. Each paragraph should be single spaced and shall be separated by at least one blank line. A standard, 12-point minimum font size applies. Arial or New Times Roman fonts are required. Tables and illustrations may use a reduced font size no less than 8-point and may be produced in landscape mode.

c. The offerors' proposals shall consist of Three sections. The following table lists the title and page limit for each section. The use of hyperlinks in proposals is prohibited.

d. The following sections shall be submitted:

Section	Title	Digital Copy	Maximum Pages
I	Technical	1	10
II	Past Performance	1	5

III	Price	1	2
-----	-------	---	---

L.2.3. PROPOSAL FILES.

Each section shall be clearly identified and shall begin at the top of a page.

Technical

- Program Management - Management of the Supervisor/Lead Administrative Clerk/ Material Handling Equipment (MHE)/forklift operator and the Administrative Clerk/MHE operator should be discussed.
- Supervisor/Lead Administrative Clerk/MHE operator - The offeror will provide the name and qualifications and experience for the individual proposed for this position. Resumes may be submitted. The required qualifications IAW AR 710-2, DA PAM 710-2-2, AR 735-5, and ATP 4-12 include: GCSS-A experience equivalent to GS-07 rank/grade. Knowledgeable with transactions T-CODE for receiving, stowing, picking, issuing, posting goods receipts (MIGO), managing storage bins, generating Materiel Release Orders (MROs), and resolving inventory discrepancies. Motor vehicle operator licenses to include MHE/forklift variants up to 26K cargo capacity and size. Must have a valid state issued driver's license. Must be able to carry/lift material/equipment weight up to 50 lbs. without assistance. Works indoor and outdoor, subject to heat, cold, open docks or storage yards or warehouses. Work may be dirty, dusty, and requiring heavy lifting, frequently subject to exposure of possible cuts, scrapes and bruises. Required to wear appropriate safety gear when operation requires.
- Administrative Clerk/MHE operator - The offeror will provide the name and qualifications and experience for the individual proposed for this position. Resumes may be submitted. The required qualifications IAW AR 710-2, DA PAM 710-2-2, AR 735-5, and ATP 4-12 include: GCSS-A experience equivalent to GS-07 rank/grade. Knowledgeable with transactions T-CODE for receiving, stowing, picking, issuing, posting goods receipts (MIGO), managing storage bins, generating Materiel Release Orders (MROs), and resolving inventory discrepancies. Motor vehicle operator licenses to include MHE/forklift variants up to 26K cargo capacity and size. Must have a valid state issued driver's license. Must be able to carry/lift material/equipment weight up to 50 lbs. without assistance. Works indoor and outdoor, subject to heat, cold, open docks or storage yards or warehouses. Work may be dirty, dusty, and requiring heavy lifting, frequently subject to exposure of possible cuts, scrapes and bruises. Required to wear appropriate safety gear when operation requires.

Past Performance

Offerors shall list any past performance experience in providing personnel for service contracts for the government or as a subcontractor for service contracts for the government within the last three years. This section shall include:

- Contract Description
- Contractor/Subcontractor place of performance, CAGE Code / Unique Entity Identifier (UEI). If the work was performed as a subcontractor, also provide the name of the prime contractor and Point of Contact (POC) within the prime contractor organization (name and email address).
- Government contracting activity, Procuring Contracting Officer's name, email address.
- Government's technical representative/COR, current e-mail address.
- Contract Number
- Contract Type (specified type, such as Fixed Price (FP), Cost Reimbursement (CR), etc.
- Award contract price.

IAW FAR 15.305(2)(iv), offerors without a record of relevant past performance or for whom past performance is not available; the offeror may not be evaluated favorably or unfavorably.

Price

The Offeror shall complete Attachment 0001 - Pricing Schedule to provide firm fixed price pricing for each Contract Line Item Number (CLIN). The offeror(s) pricing will be evaluated to determine if the pricing is fair and reasonable.

Small Business

The small business shall provide its Unique Entity Identifier (UEI) and self-certify it qualifies as a small business.

The NAICS code for this solicitation is 493110 with a small business size standard of \$34,000,000.

L.3. INCORPORATION OF PROPOSAL

L.3.1. All or portions of the Contractor's Technical Proposal, as negotiated and accepted by the government, may be incorporated by reference into the resultant contract. Some or all of the

information furnished by the contractor may be subject to disclosure under the Freedom of Information Act. For this reason, the contractor shall identify information contained in the proposal which the contractor specifically does not want to be incorporated by reference.

L.4. ARMY MATERIAL COMMAND, AMC-LEVEL PROTEST PROGRAM

If you have complaints about this procurement, it is preferable that you first attempt to resolve those concerns with the Contracting Officer. However, you can also protest to Headquarters, AMC. The HQ, AMC Level Protest Program is intended to encourage interested parties to seek resolution of their concerns within AMC as an Alternative Dispute Resolution forum, rather than filing a protest with the General Accounting Office (GAO) or other external forum. Contract award or performance is suspended during the protest to the same extent, and within the same time periods, as if filed at the GAO. The AMC protest decision goal is to resolve protests within 20 working days from filing. To be timely, protests must be filed within the periods specified in FAR 33.103. Send AMC-level protests (other than protests to the Contracting Officer) to:

Headquarters U.S. Army Materiel Command

Office of Command Counsel-Deputy Command Counsel

4400 Martin Road, Rm: A6SE040.001

Redstone Arsenal, AL 35898-5000

email: usarmy.redstone.usamc.mbx.protests@mail.mil

Packages sent by Fed Ex or UPS The AMC-level protest procedures are found at:
<http://www.amc.army.mil/amc/commandcounsel.html>

Protests filed with the Contracting Officer shall be submitted to the address designated in Block 7 of the SF33 or in the paragraph entitled "Remedies" of the AMC-Level Protest Procedures whenever Internet access is not available to the Contractor. For all protests filed with the Contracting Officer, he shall continue to serve as the Protest Decision Authority.

To:

L.1 SEQUENCE OF EVENTS DURING PROPOSAL EVALUATION

L.1.1. The government shall employ Best Value source selection process to evaluate proposals, conduct negotiations, and determine the successful offerors in this acquisition. "Offers", for the

purposes of this solicitation, shall be defined as a response to the solicitation that, if accepted, would bind the offerors to perform the resultant contract. The Offerors can expect the following conditions and responses during proposal evaluation and negotiation:

L.1.1.1. Upon receipt, the proposals will be reviewed for completeness and compliance with solicitation requirements. The proposals will receive a detailed evaluation employing the process and criteria identified in Section M of this solicitation.

L.1.1.2. In accordance with FAR 15.306, the government may conduct exchanges with offerors after receipt of proposals and prior to award. The government reserves the right to award based on the initial proposal submission without oral presentation, exchanges and/ or discussions. Therefore, the offeror's initial proposal shall contain the offerors best terms.

L.1.1.3. The government may conduct exchanges with offerors to enhance the government's understanding of proposals; allow reasonable interpretation of the proposal; or facilitate the government's evaluation process.
