

COMBINED SYNOPSIS/SOLICITATION

Notice Type: Combined Synopsis/Solicitation

Solicitation Number: 75H70626Q00184

Title: Great Plains Area Indian Health Service (GPA IHS) Hematology Analyzer Cost-Per-Reportable-Result (CPRR) IDIQ Contract

1. General Information

This is a 100% Total Small Business set-aside combined synopsis/solicitation for commercial products and commercial services prepared in accordance with FAR 12.603 and FAR Part 13, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation. Quotations are being requested and a separate written solicitation will not be issued.

The Indian Health Service (IHS), Great Plains Area Office, intends to award a single Firm-Fixed-Price, Indefinite-Delivery/Indefinite-Quantity (IDIQ) contract utilizing a Cost-Per-Reportable-Result (CPRR) pricing model for hematology analyzers and related supplies and services.

The anticipated contract consists of one (1) base year and four (4) one-year option periods.

The estimated contract ceiling is less than \$2M and minimum guarantee is \$1,000.00.

2. Description

The Contractor shall furnish all labor, equipment, reagents, consumables, installation, validation, training, maintenance, warranty, software, interface support, and related services necessary to provide hematology analyzers for Great Plains Area Indian Health Service facilities located throughout South Dakota and North Dakota.

-

9. Applicable NAICS code

NAICS: 334516 – Analytical Laboratory Instrument Manufacturing

Small Business Size Standards in number of employees: 1,000 Employees

10. Evaluation

Award will be given to the responsible offeror whose quotation represents the best value to the Government.

Evaluation factors include:

1. Technical Acceptability (Technical acceptability includes compliance with the PWS and all salient characteristics.)
2. Price (Price will be evaluated for fairness and reasonableness.)
3. Contractor Responsibility

INTENT TO AWARD WITHOUT DISCUSSIONS

The Government intends to evaluate proposals and award a contract without discussion with Offerors.

Therefore, the Offeror's initial proposal should contain the Offeror's best terms from a price and technical standpoint. The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary.

11. Submission Requirements

Offerors shall submit:

Technical Quote

- Product literature
- Technical specifications
- Statement of compliance with all PWS requirements
- Description of warranty
- Maintenance approach
- Training plan
- LIS interface capability
- Section 508 documentation (VPAT)

Price Quote

Firm Fixed CPRR pricing including all required items and services.

Responsibility Documents

- UEI
 - SAM Registration
 - Point of Contact
-
